## Giveaway: 5 Tandoor Chef Meal Vouchers

*Disclosure: This Giveaway is sponsored by Tandoor Chef. All opinions are mine.*

Readers may remember a few months back that I reviewed Tandoor Chef frozen meals. I LOVE these meals because they are all natural and have an ingredient list that I understand, in other words, clean eating. No junky additives and other crap. I also LOVE the taste! They are sooooo yummy! In fact, the entire fam loves the meals. You can read my review [HERE](#) and you will definitely want to enter my giveaway for 5 Tandoor Chef Meal Vouchers. (Please note, the photo shows four dinners, but the giveaway is for 5 vouchers.)

### About Me

[g+](#) **Ann I Am**

Ann I Am suits me well. I am what you see--no frills, no hidden agendas, just a straight-forward honest

kind of gal. I like to try new things and go new places. The three most important things in my life are God, my family and caring for others (in that order). I worked hard to be a stay-at-home mother and homeschooled my children for years. My motto is *So many \_\_\_\_\_ so little time. (Fill in the blank with hikes to take, books to read, crafts to make, recipes to try...you get the idea.)*
