Naan Pizza Hits Frozen Food Aisles at Stores Across the Country

Tandoor Chef has been a popular frozen food supplier for many, many years due to their high quality line of all-natural frozen Indian products. The leading manufacturer of [restaurant](#) quality, Indian-themed frozen [cuisine](#) will soon be unveiling the first authentic original Naan Pizza, which is available in four unique flavors. Consumers are constantly searching for innovative frozen food options that require minimal preparation time but plenty of delicious flavor and Naan Pizza is the first Indian-inspired line of pizzas to hit the market.

The ethnic inspired Naan Pizza flavorings that are available are Cilantro Pesto, Margherita, Roasted Eggplant, and Spinach & Paneer Cheese. Tandoor Chef is a second generation family owned company that has developed into the market's leading manufacturer of Indian cuisine and they will be proud to reveal their Naan Pizza in May of 2010. Interestingly enough, Indian cuisine is the fastest growing ethnic food category in the entire country and these pizza flavorings are sure to satisfy the needs of customers from all over the United States.

Their vegetarian, Indian-inspired Naan Pizza is fired in a clay Tandoor Oven at approximately 1,000 degrees Fahrenheit and the dough is precisely hand-stretched by master [chefs](#). With all-natural, high quality ingredients that provide each pizza with an unprecedented and delightful flavor, Tandoor Chef's Naan Pizza is sure to dominate the frozen [food market](#) in 2010.
