Indian Frozen Favorites Now Available with Seasoned Rice
Tandoor Chef relaunches most popular dishes with sides of authentic rice blends

UNION, New Jersey (April 6, 2010) –Tandoor Chef, the leading manufacturer of restaurant quality, all natural Indian frozen cuisine, will reintroduce two of their main entrées, Chicken Tikka Masala and Chicken Curry, now including Cumin-Infused Basmati rice as a side. To meet growing consumer demand for a complete meal with each entrée, Tandoor Chef is relaunching two of their most popular dishes. The products are expected to hit frozen foods aisles at Whole Foods and other major grocery stores nationwide in May.

Tandoor Chef's most popular entrée, Chicken Tikka Masala, will now be sold with a side of Cumin-Infused Basmati Rice. Another Tandoor Chef favorite, Chicken Curry, will now contain Seasoned Basmati Rice. Rice, along with Naan bread, is a staple of traditional Indian meals and Tandoor Chef expects the addition of seasoned rice to be a well received improvement for consumers. Tandoor Chef's two top sellers, Chicken Tikka Masala and Chicken Curry, will be the first dishes to include basmati rice.

"We're pleased to introduce this complete meal to our top dishes," shares Deepak Amin, Vice President for Tandoor Chef and Deep Foods. "Seasoned rice is an important part of Indian cuisine, and this adds a new and tasty dimension and texture to Tandoor Chef favorites."

Tandoor Chef, produced by Deep Foods, is a second-generation family owned and operated leading manufacturer of Indian cuisine. Tandoor Chef is committed to producing restaurant quality all natural frozen Indian food. A quality innovation leader, Tandoor Chef provides exotic flavors and meal experiences, rooted in the convenience of the frozen food category.
